WELCOME TO VISITORS.

S PONSORED by the New Zealand Football Association the Australian Association Football Team and Officials commenced a tour of New Zealand last Saturday. Having played Auckland and Wellington they arrived in Nelson yesterday and today play their third match of the tour against a Nelson Combined XI at Trafalgar Park. As President and Chairman of the Nelson Football Association, I have the honour to extend to them a sincere welcome to Nelson City and Province. Nelson feels privileged to have this fixture allotted them as the Australian Team only play four matches in the South Island and we appreciate the granting of this match to our City by the N.Z.F.A.

We are happy to have the opportunity of offering hospitality to our Australian guests and sincerely hope that they will enjoy their short stay in Sunny Nelson. We feel sure also that the citizens of Nelson will enjoy seeing these fine players in action today. The greatest benefit of these tours is the friendships that are made and the goodwill created between the Countries. I hope that when our Australian visitors leave Nelson they will take away happy memories of our City and Province.

SYDNEY J. GUPPY,
President of Nelson Football Association.
